

# Three Days Grace, I Don't Care (Apocalyptica Co

I try to make it through my life  
in my way there's you  
I try to make it through these lies  
that's all I do

just dont deny it  
just dont deny it  
deal with it  
yea deal with it  
that's just part of it

you try to break me  
you wanna break me  
bit by bit  
that's just part of it

if you were dead or still alive  
I don't care, I don't care  
and all the things you left behind  
I don't care, I don't care

I try to make you see my side  
always try to stay in line  
but your eyes see right through  
that's all thanks to  
I'm getting tired of this shit  
I've got no room when it's like this  
what do you want of me?  
just deal with it

if you were dead or still alive  
I don't care, I don't care  
just go and leave this all behind  
I don't care, I don't care

(I'm not changing everything cause you won't be there for me)

(I'm not changing everything cause you won't be there for me)

if you were dead or still alive  
I don't care, I don't care  
just go and leave this all behind  
I don't care, I don't care

if you were dead or still alive  
I don't care (I don't care)  
I don't care(I don't care)  
just go and leave this all behind  
I don't care (I swear)  
I don't care...  
at all
