

Three Days Grace, I Don't Care (Apocalyptica Co

I try to make it through my life
in my way there's you
I try to make it through these lies
that's all I do

just dont deny it
just dont deny it
deal with it
yea deal with it
that's just part of it

you try to break me
you wanna break me
bit by bit
that's just part of it

if you were dead or still alive
I don't care, I don't care
and all the things you left behind
I don't care, I don't care

I try to make you see my side
always try to stay in line
but your eyes see right through
that's all thanks to
I'm getting tired of this shit
I've got no room when it's like this
what do you want of me?
just deal with it

if you were dead or still alive
I don't care, I don't care
just go and leave this all behind
I don't care, I don't care

(I'm not changing everything cause you won't be there for me)

(I'm not changing everything cause you won't be there for me)

if you were dead or still alive
I don't care, I don't care
just go and leave this all behind
I don't care, I don't care

if you were dead or still alive
I don't care (I don't care)
I don't care(I don't care)
just go and leave this all behind
I don't care (I swear)
I don't care...
at all
