

# Three Dog Night, Dreaming Isn't Good For You

(D. Hutton)

I am weeping, always sleeping  
Dreading when the light comes in  
Dreaming of tomorrow and the happiness that it can bring

Contemplatin' and debating as the time just drifts away  
You will find today can be tomorrow if you let tomorrow be today  
Don't wait, don't hesitate  
'Cause I want to tell ya  
And I have to tell ya  
Dreaming isn't good for you unless you do  
The things it tells you to

Contemplatin' and debating as the time just drifts away  
You will find today can be tomorrow  
If you let tomorrow be today  
Don't wait, don't hesitate  
'Cause I want to tell ya  
And I have to tell you  
Dreaming isn't good for you unless you do  
The things it tells you to
