

# Three Dog Night, Let Me Serenade You

(J.Finley)

I will serenade you, all along the way  
I will serenade you, anyway you say  
Take you to the country, I'll take you to the shore  
Show you to my garden, I know you'll make it grow

If you let me serenade you  
You know that's what you come for  
So that I will serenade you

I wake you in the morning, on your sunrise time  
Your fire in the evening when it blows outside  
If you let me serenade you, you know that's what you come for.  
So that I will serenade you.

And when the walls begin to fall  
Can't hold back the joy  
That love will conquer all

Every moment, every day  
If you want to hold me I will, I will, I will, I will stay  
Let me serenade you, I will serenade  
If you want to hold me, yeah, one more, one more now  
Every body keep a singing, I sing it  
I really love you baby  
I will serenade you, I will serenade you  
All along the, whoa  
Let me sing it, whoa  
I will sing a  
I will serenade you, baby  
I will serenade you  
No, no, no, no
