

# Three Doors Down, Behind those eyes

Ohh yeah  
Ohh yeah  
You said i had something to say  
Then you got that look in your eye  
There is something youve got to know  
You said it as you started to cry  
Ive been down the wrong road tonight  
And i swear ill never go there again  
Ive seen this face once before  
And i dont think i can do this again  
Theres something I cant see  
There's something different in the way you smile  
Behind those eyes you lie  
And theres nothing i can say  
Cause im never gonna change your mind  
Behind those eyes you hide  
As you turned to walk away  
I saw another look in your eye  
And even though it hurt like it did  
I couldn't let this be your goodbye.  
You say that your sorry  
And you say that it hurts you the same  
Is there something here to believe  
Or is it just another part of the game?  
Theres something I cant see  
Something living in the way you smile  
Behind those eyes you lie  
And theres nothing i can say  
Cause im never gonna change your mind  
Behind those eyes you hide  
Ohh yeah  
Ooooooo  
Ohh woah  
Behind those eyes you lie  
Behind those eyes you hide  
Theres something I cant see  
Something living in the way you smile  
Behind those eyes you lie  
And theres nothing i can say  
Cause im never gonna change your mind  
Behind those eyes you hide  
Theres nothing i can say  
That's ever gonna change your mind  
Behind those eyes you hide  
Behind those eyes you lie
