

Three Doors Down, Behind those eyes

Ohh yeah
Ohh yeah
You said i had something to say
Then you got that look in your eye
There is something youve got to know
You said it as you started to cry
Ive been down the wrong road tonight
And i swear ill never go there again
Ive seen this face once before
And i dont think i can do this again
Theres something I cant see
There's something different in the way you smile
Behind those eyes you lie
And theres nothing i can say
Cause im never gonna change your mind
Behind those eyes you hide
As you turned to walk away
I saw another look in your eye
And even though it hurt like it did
I couldn't let this be your goodbye.
You say that your sorry
And you say that it hurts you the same
Is there something here to believe
Or is it just another part of the game?
Theres something I cant see
Something living in the way you smile
Behind those eyes you lie
And theres nothing i can say
Cause im never gonna change your mind
Behind those eyes you hide
Ohh yeah
Ooooooo
Ohh woah
Behind those eyes you lie
Behind those eyes you hide
Theres something I cant see
Something living in the way you smile
Behind those eyes you lie
And theres nothing i can say
Cause im never gonna change your mind
Behind those eyes you hide
Theres nothing i can say
That's ever gonna change your mind
Behind those eyes you hide
Behind those eyes you lie
