

Three Doors Down, Better life

Im
about to be on the floor again, surely youre gonna
find me there
Im about to sleep until the end of time, drug I take gonna wake
my fear right now
Im passing away on to the better life
Im passing away on
to the better
Im about to see just how far I can fly, surely your gonna
break my fall
I`m about to run as fast as I can, head long into that wall
this time
Im passing away on to the better life
Im passing away on
to the better
On to the better life
on to the better
Im about to be on the floor again, surely you`re gonna
find me there
Im about to sleep until the end of time, drug I take gonna wake
my fear right now
Im passing away on to the better life
I`m passing away on
to the better
Im passing away on to the better life
Im passing away on
to the better
