

# Three Doors Down, Dead love

I don't mind  
what you do to me  
I don't mind what  
I can't see  
If you cared  
you will stay with me  
If you dare you will  
set me free  
(chorus)  
If you let me try  
I will let you see again  
If I let you Die  
You will let me sleep again  
Would you sell your soul  
For a game you like to play  
If you let me go  
I will burn your heart away  
Well you're here  
when you should be gone  
And my heart  
well it's turned to stone  
If I am dead by the time you  
find out just why  
I'm gone  
just say goodbye  
(chorus)  
If you let me try  
I will let you see again  
If I let you Die  
You will let me sleep again  
Would you sell your soul  
For a game you like to play  
If you let me go  
I will burn your heart away
