Three Doors Down, It's Not My Time

Looking back at the beginning of this

And how life was

Just you and me and love and all of our friends

Living life like an ocean

Now the current's slowly pulling me down

It's getting harder to breathe

It won't be too long and I'll be going under

Can you save me from this

('Cause) It's not my time,

I'm not going

There's a fear in me

It's not showing

This could be the end of me

And everything I know

Oh, I won't go

I look ahead to all the plans that we made

And the dreams that we had

I'm in a world that tries to take them away

Oh, but I'm taking them back

All this time I've just been too blind to understand

What should matter to me

My friend, this life we live

Is not what we have, it's what we believe

(And) It's not my time

I'm not going

There's a fear in me

It's not showing

This could be the end of me

And everything I know

But, it's not my time

I'm not going

There's a fear in me

Now I know that

This could be the end of me

And everything I know

Oh, I won't go

I won't go

(solo)

There might be more than you believe

(There might be more than you believe) There might be more than you can see

But, it's not my time

I'm not going

There's a fear in me

It's not showing

This could be the end of me

And everything I know

But, it's not my time

I'm not going

There's a will in me

Now it's gonna show

This could be the end of me

And everything I know, oh

There might be more than you believe

(There might be more than you believe)

There might be more than you can see

And I won't go

No I won't go down (yeahh)
