Three Doors Down, Living a lie

I can't seem to find out what I feel
Burned out dreams of others which I can steal
Take or leave this way I seem to you, it eats right through you
Ripped up parts of things I should do, I'll run around and tell you screaming
Oh I live a lie, oh I live a lie, oh why even try
I've been leaving thoughts below
Still I feel I should know
Still don't see much of me giving in
Much too strong to live outside these sins

Feeling like I'm taken lightly, think you see right through me Words of those that still despise me, think it's eating me you're dreaming

Oh I live a lie, oh I live a lie, oh why even try

I've been leaving thoughts below

Still I feel I should know

When I seem to believe all that I've done wrong You can take all that's right I will still move on Taken all I can give it seems that I don't belong Push me further from this go on Oh I live a lie, oh I live a lie, oh why even try

I've been leaving thoughts below Still I feel I should know
