

# Three Doors Down, Nevermind the face you put on

Well how do you know where you're going when you don't know where you've been  
You hide the shame that you're not showing and you won't let anyone in  
A crowded street can be a quiet place when you're walking alone  
Now you think that you're the only one who doesn't  
have to try and you won't have to fail  
You throw a fray to fly, then I guess you never will  
You hide behind your walls of maybe nevers  
Forgetting that there's something more than just knowing better  
Your mistakes do not define you now, they tell you who you're not  
You've got to live this life you're given like it's the only one you've got  
The memories have left you broken and the scars have never healed  
The emptiness in you is growing with so little left to feel  
You're scared to look back on the days before, you're too tired to move on  
And now you think that you're the only one who doesn't  
have to try and you won't have to fail  
You throw a fray to fly, then I guess you never will  
You hide behind your walls of maybe nevers  
Forgetting that there's something more than just knowing better  
Your mistakes do not define you now, they tell you who you're not  
You've got to live this life you're given like it's the only one you've got  
What would it take to get you to say that I'll try  
And what would you say if this was the last day of your life  
You hide behind your walls of maybe nevers  
Forgetting that there's something more than just knowing better  
Your mistakes do not define you now, they tell you who you're not  
You've got to live this life you're given like it's the only one you've got  
You hide behind your walls of maybe nevers  
Forgetting that there's something more than just knowing better  
Your mistakes do not define you now, they tell you who you're not  
You've got to live this life you're given like It's the only one you've got
