

Three Doors Down, Ocean

He who stands by me
Through the stormy weather
Through good times and bad
Always there for me
Takes me to the water
And quenches my thirst
My sweet inspiration
I wanna say
[1] - Your love is an ocean
Wide as the skies
A comfort to me
Time after time
Your precious love
Fills up my cup
Touches my soul
He who knows me better
Than no man on earth
Guides me to the mountain
Witness my rebirth
Makes me feel so worthy
To belong to him
I treasure my commitment
And it's because of...
[Repeat 1]
When I think of your love
A ray of hope shines through
And shatters the darkness I felt
Erase all the doubt
And the fears that chains
And guides me to your Heavenly place
Ooh
I know you'll always be there
Through thick and thin
I know I can depend on you
Through thick and thin
You comfort me with loving arms
Through thick and thin
Kiss my eyes
My eyes
Ooh, ooh ooh
[Repeat 1]
Sing it again, sing it again
Repeat 1 while:
You're a comfort, to me
I praise you, praise you constantly
I gave you my heart, gave you my soul
I want you to know that I love you
I give my praise to you
