

Three Doors Down, Train

Put me on a train mama
cause things just ain't the same no more
Put me on a train mama
I'm leavin' today
I don't want to watch the world spinnin'
I want to be spinning with it
Put me on a train mama
I'm leavin' today
Cause I've got the feeling that's for sure
And to know that I can get it makes me want it more
Mama I just want you to know that I'm gonna be fine
Lord I know it's a chance that I take
But I know you'll forgive the mistakes that I make
There's a life out there and it's gonna be mine
Put me on a train mama
cause I can't take this pain no more
Put me on a train mama
I'm leaving today
There's a world that's out there waitin'
And I know that it's a chance I'm takin'
Put me on a train mama
I'm leaving today
Cause I've got the feeling that's for sure
And to know that I can get it makes me want it more
Mama I just want you to know that I'm gonna be fine
Lord I know it's a chance that I take
But I know you'll forgive the mistakes that I make
There's a life out there and it's gonna be mine
God knows how long I'll be gone
But maybe one day this train will bring me home
Put me on a train mama
Ooo put me on a train mama
Put me on a train mama
I'm leaving today
Cause I've got the feeling that's for sure
And to know that I can get it makes me want it more
Mama I just want you to know that I'm gonna be fine
Lord I know it's a chance that I take
But I know you'll forgive the mistakes that I make
There's a life out there and it's gonna be mine
