

Three Doors Down, Your arms feel like home

I think I've walked too close to love
And now I'm falling in
There's so many things this weary soul can't take
Maybe you just caught me by surprise
The first time that I looked into your eyes
There's a life inside of me
That I can feel again
It's the only thing that takes me
Where I've never been
I don't care if I lost everything that I have known
It don't matter where I lay my head tonight
Your arms feel like home
Feel like home
This life aint the fairy tale we both thought it would be
But I can see your smiling face as it's staring back at me
I know we both see these changes now
I know we both understand somehow
There's a life inside of me
That I can feel again
It's the only thing that takes me
Where I've never been
I don't care if I lost everything that I have known
It don't matter where I lay my head tonight
Your arms feel like home
They feel like home
(hold on, you're home to me)
There's a life inside of me
That I can feel again
It's the only thing that takes me
Where I've never been
I don't care if I lost everything that I have known
It don't matter where I lay my head tonight
Your arms feel like home
They feel like home
