

Thrice, Trust

mix the chemicals right dear, mix the chemicals right
yeah the margin of error is slight
mix the chemicals right dear
mix the chemicals right
yeah you know that you could
save my life

there is a risk, there's a risk when your dealing with love
you could snap my neck
any speed you drive can be dangerous

mix the chemicals right dear, mix the chemicals right
yeah you know there's a fine line between
mix the chemicals right dear, mix the chemicals right
cause i know what betrayal can mean

when this frame fails me
will i trust you to carry me through?
i know there's no such thing as safety
but i know what a promise can do.
will i trust you, will i trust you to carry me through?
i will trust you, cause i know what a promise can do
