

# Thumb, Shorty

i see this, in a different light...  
so clear to me, so true, so tight...  
so senseless, just to get it right this time this is mine!

you'll want me...how you want me...  
&quot;that little guy's all crazy&quot;;  
your saviour, i can never be what you see in me

my heart's on fire this time...i'll make it mine!

'cause all...you see in me...is all...you'll never see  
and all...you want from me...is all...i'll never be !

i'm speachless, with much more to say...  
so aimless, but i'm on my way...  
so useless, but i'll get it right this time this is mine!

so weightless, so out of touch...  
i feared these lines so very much...  
your saviour, i can't be the crutch that will make you walk!

my heart's on fire tonight...i'll make it right!

'cause all...you see in me...is all...you'll never see  
and all...you want from me...is all...i'll never be!

i know that ev'rything i've said makes sense to me, inside my head, that's where my inner peace is

'cause all...you see in me...is all...you'll never see  
and all...you want from me...is all...i'll never be  
and i don't care for what you say...i dread the thought to be your way...your world is fake, and there  
and all i know is i'm on fire!
