

# Thumb, Suck Me Dry

i'm caught up in you...  
you're ev'rything i ever do...  
the only thing i ever knew...  
and i can feel you through and through!

its like you have a plan for me...  
something that's so much more than me...  
but sometimes i don't wanna be...  
whatever you want me to be...  
'cause you don't understand the pain...  
of ev'ry word i had to say...  
now i don't know if i can stay that way  
and i don't know if i'll be saved...

you suck me dry!

you're caught up in me..  
i'm ev'rything you'll ever see..  
and i refuse so viciously..  
to be what you want me to be..  
it really hurts to see me lose..  
to fail in ev'rything i do..  
i doubt if i'm of any use..  
i can't be ev'rything for you...  
'cause you don't understand the pain...  
of ev'ry word i had to say...  
now i don't know if i can stay that way...  
and i don't know if i'll be saved...

you suck me dry!
