

# Thundercat, No More Lies (feat. Tame Impala)

I'm sorry, girl  
Didn't mean to drag you in my dreams  
Baby, no more lies  
Feeling free  
That's the way it's supposed to be  
For you and me  
You and I both know it's harder than it seems  
Love is a two-way street  
I'm letting go because the both of us don't need to drive  
Baby, it's one at a time

That's just the way it works  
Or you and I keep getting hurt  
We're going to lose control of the wheel  
So put your seatbelt on  
I think we're about to crash  
In a world of pain  
There's so much work to do  
So much to unpack  
But it's not your fault  
I'm just kind of ass

It's looking like I won't be home for another year  
Long left undone  
'Cause I might just drift on out of here  
On the run  
I'll just be on my own  
I'll just be home alone  
My troubles are my own  
Unless she wants to come back

I'll just be on my own  
I'm dancing on my own  
I'll just stay on my own  
Unless she wants to come back  
Yeah, yeah

As you go out in the world  
Don't look back to move forward, there's no time  
In our lives  
As you know  
There's something wrong in your mind (In your mind)  
If you think there's no pain in my heart  
To say goodbye  
Please don't cry  
I'm letting go

I'll just be on my own  
I'll just stay home alone  
My troubles are my own  
Unless she wants to come back

I'll just be on my own  
I'm dancing on my own  
I'll just stay on my own

I mean, my longest relationship was like 7 years  
Unless she wants to come back  
And she, she was fine  
Yeah, yeah  
But I need to know what I'm doin' between one to two years with you  
Either way it goes  
My therapist told me that I should tell you the truth  
But you're still angry

So sometimes I still feel like I should have lied  
I tell you the truth because I care  
But I also lie to you because I care  
But if I tell you the truth I guess I can sleep better at night?  
But then, it looks like I don't care because I'm telling you the truth  
I mean  
I guess I'm just not a  
Everybody hates when they get to that part when they realise that  
I don't wanna tell you I don't care but if it seems like I don't care  
It doesn't mean I don't care  
It just looks like I don't care  
Because my emotions have been sanded off  
I live in LA, sweetie, what do you expect?
