Tiamat, Evilized

Born on a gloomy night Raised the evil way A son of an unnamed Born by freak Molten books, ancient scripts Dreadful tales of evil ways Interpred the child Cleanse the world When the stars are right They will rise from the sea Creatures from out of time Creatures out of mind Sacrifice to the lord Light fires upon the hills Scream the words, the key Prepare the funeral [pre.ch.:] Sacrifice yourself to the master Sacrifice your soul to the great Scream out the words, scream the key The demolition prophecies are true [ch.:] Behold The funeral Be evil **Evilized** See that The world is lost It's evil Evilized Behold the master Migrate to the surface Wave goodbye to your soul and to your mind

Evilized
Behold the master
Migrate to the surface
Wave goodbye to your soul
and to your mind
Mind-blasting terror
Extreme mass manipulation
will start up the mayhem
as evil returns
Rancid bodies dismembered
Rigid facial expressions
All covered in blood
Cascades of brains
Reed deep into the books
The mayhemic tales of terror
Horrifying evil visions
Behold the return
[pre.ch.]
