Tiamat, In The Shrines Of The Kingly Dead

Deep down in the tombs Dried out and embalmed Royalties embedded Locked under a curse Powers of mortis Trapped in the talismans Shaman's evil spells Await at the door

(pre.ch.:)
Unbroken silence rests
A universe of unholiness
Pale funeral lilles scents
Narcotic incense detest

(ch.:)
In the shrines of the kingly dead
Down unlit and illimitable tombs

Delving in a mummy grave In sickening odours Penetrating magic's locks Pharao's curse reveiled Icing winds are blowing Shuddering the ground The ancient tomb is crumbling At a touch on an amulet
