

Tickle Me Pink, We're Not Alone

We're all searching for someone,
'cause we can't find ourselves.
We all are the same,
with these feelings our hearts are brave.
Why can't you see,
why can't you see,
we're not alone.
Why can't we see,
why can't we see?
Restless 'til the end.
Distract your mind 'til your final breath.
If this is it, then why lie 'til the death?
We are all so pallid.
At least we can say we tried.
Why can't we live for the day,
live for the day?
Why can't we see we're not alone?
Why can't we live for the day,
live for the day?
(Why can't we see we're not alone)
And nothing goes as expected,
and happiness can't be planned.
'Cause soon our bones will be dust on the Earth.
Will your legacy still stand?
At least we can say we tried.
Now it's all a matter of time.
Why can't we live for the day,
live for the day?
Why can't we see we're not alone?
Why can't we live for the day,
live for the day?
It's just a matter of time
before we'll lose it all.
Will you rise above until the moment you fall?
Will you make the choice to treat each day as your last?
Stop waiting to die.
At least we can say we tried.
Why can't we live for the day,
live for the day?
Why can't we see we're not alone?
Why can't we live for the day,
live for the day?
It's just a matter of time
before we'll lose it all.
Will you rise above until the moment you fall?
Will you make the choice to treat each day as your last?
Stop waiting to die.
