

# Tiesto, Drifting

If I'm drifting, say that you won't be there  
Hope you listen, say your name as my breath  
In the deep end, head above to breathe air  
If I'm drifting, say that you won't be there  
If I'm drifting, say that you won't be there  
Hope you listen, say your name as my breath  
In the deep end, head above to breathe air  
If I'm drifting, say that you won't be there

Oh, yeah, oh, yeah, yeah-eah  
Oh, yeah, oh, yeah, yeah-eah  
Oh, yeah, oh, yeah, yeah-eah  
Oh, yeah, oh, yeah, yeah-eah  
Oh, yeah, oh, yeah, yeah-eah

If I'm drifting, say that you won't be there  
Hope you listen, say your name as my breath  
In the deep end, head above to breathe air  
If I'm drifting, say that you won't be there  
(Say that you won't be there  
Say that you won't be there  
Say that you won't be there  
Say that you won't be there)

Oh, oh, oh, oh, oh, oh, oh, oh  
Oh, yeah, oh, yeah, yeah-eah  
Oh, yeah, oh, yeah, yeah-eah  
Oh, yeah, oh, yeah, yeah-eah  
Oh, yeah, oh, yeah, yeah-eah  
Oh, yeah, oh, yeah, yeah-eah  
Oh, yeah, oh, yeah, yeah-eah

Oh, yeah, oh, yeah, yeah-eah  
Oh, yeah, oh, yeah, yeah-eah  
Oh, yeah, oh, yeah, yeah-eah  
Oh, yeah, oh, yeah, yeah-eah  
If I'm drifting, say that you won't be there  
Hope you listen, say your name as my breath  
In the deep end, head above to breathe air  
If I'm drifting, say that you won't be there
