

Tiffany Evans, Let Me Be Your Angel

(Stacy Lattisaw cover)

(Verse 1:)

Look at me
I have fallen so in love with you
Please don't leave
Stay around
Let me tell you all
The things I feel
Won't you please

(Chorus:)

Let me be your angel
Let me be the one for you
Let me be your angel
Let me the one you believe in

(Verse 2:)

You might think
I am much too young

To understand
Don't be fooled
Like a child
I look into your eyes
And know someday
I'll make you mine

(Chorus:)

Let me be your angel
Let me be the one for you
Let me your angel angel
Let me be the one you believe in

Let me be your angel
Let me be the one for you
Let me be your angel
Let me be the one you believe in

Yeah oooohhhhhhhh
