

# Tiffany Evans, Who Am I

[Verse 1:]

Sometimes Everthing Seems Outta My Reach  
No Matter How Hard I Try  
Sometimes I Feel Like Nothing At All Inside  
With Everything That I Try To Hold On To  
Just Seems To Slip Away  
And Though I Fall It Keeps Calling Me Back Again  
But I Keep Looking  
I'll Sink Or Swim  
I Keep Searchin To Find The Real Me

[Chorus:]

Who Am I Tell Me  
Where Do I Come From  
Who Am I Tell Me  
Cause Its Like I Dont Fit In At All

[Verse 2:]

Sometimes I Feel Like Runnin Away  
And Leaving It All Behind  
And Try To Find A Place Where I Belong  
If I Keep Lookin,  
I'll Find Myself  
I Keep Searchin To Find The Real Me

[Chorus:]

Who Am I Tell Me  
Where Do I Come From  
Who Am I Tell Me  
Cause Its Like I Dont Fit In At All
