

# Tiga, Down In It

Kinda like a cloud I was up way up in the sky  
And I was feeling some feelings you wouldn't believe  
Sometimes I don't believe them myself  
And I decided I was never coming down  
Just then a tiny little dot  
Caught my eye it was just about, just about too small to see  
But I watched it way too long  
It was pulling me down

Shut up!  
So what, what does it matter now?  
I was swimming in the haze now I crawl on the ground  
And everything I never liked about you is kinda seeping into me  
Try to laugh about it now but isn't it funny how everything works out  
"I guess the joke's on me," she said

I was up above it  
Now I'm down in it

I used to be so big and strong!  
I used to know my right from wrong!  
I used to never be afraid!  
I used to be somebody!  
I used to have something inside!  
Now just this whole that's open wide!  
I used to want it all!  
I used to be somebody..

I'll cross my heart I'll hope to die  
But the needle's already in my eye  
And all the world's weight is on my back  
And I don't even know why  
What I used to think was me  
Is just a fading memory  
I looked him right in the eye and said "Goodbye";

I was up above it  
Now I'm down in it
