

# Tiger Army, Annabel Lee

Oh Annabel Lee, forever in my dreams  
You know you've still got a piece of my heart  
You've had it right from the start

Oh Annabel Lee, stop haunting my dreams  
Yours is the face that I see in the dark, in the dark  
(Into the darkness, farther my hearts slips  
Into the darkness, into the sea)

Oh Annabel Lee, the ocean calls to me  
In the spring when our love had it's start  
Oh Annabel Lee, forever trapped by the memories  
In the sepulchre of my heart

Black cats that scurry by in the night  
They tell me where you are  
In the chill of November...  
And now the kingdom is in ruins  
Just a memory like you and me  
Will you release me?  
(Into the darkness farther my hearts slips  
Into the darkness, into the sea)

Oh Annabel Lee, those nights seem so long ago  
When my heart didn't feel so old  
Oh Annabel Lee, call your name for eternity  
Long as the stars shall burn and the moon glows

The ocean whispers in night air and you once were with me there  
Do you remember?  
And I'm speaking your name  
Though it's over think of me  
And will you release me?  
(Into the darkness, farther my heart slips  
Into the darkness, into the sea)
