

# Tiger Army, Jungle Cat

Darkness on the city streets  
Violence in the air  
I can feel the animals lookin' at me  
But I'm a tiger and I have no fear

I'm a big cat I don't fuck around  
I prowl the streets without a sound  
And the human jungle just brings us down (down)  
I'm a tiger livin' in a zoo

Don't step on my tiger tail  
I'll rip your guts out, I don't care  
Out looking for a tigress  
In fishnet stockings and a rockin' dress

And playing games is not our style  
When the Tiger Army's on the prowl  
And the human world just brings us down (down)  
I'm a tiger livin' in a zoo

Let's prowl!

Ya fuckin' around is not our style  
When the Tiger Army's on the prowl  
And the human world just brings us down (down)  
I'm a tiger livin' in a zoo
