

# Tiger Army, Temptation

Down on my knees  
I look up at the sky  
Here I am again  
although I don't know why

Life is pain  
I know this in my heart  
I guess it's always been that way from the start

This contemplation sets my soul afire  
Too many decisions that I can't decide  
I don't know what I'm gonna do...

The things I've seen, the places that I've been  
Always told me "Stay away from sin"  
Now I could try and do right,  
but it always turns out wrong  
I guess that if I didn't,  
wouldn't have no fun

Sometimes I try to set my sights up higher  
But if there's a heaven  
I'm bound for the fire
