hey lover hey honey tell me what this is

hey lover hey honey you could have left by now  
am I the only one that sees that something here is wrong

but hey won't you stay you know that I won't say anything  
lord you know that I don't I don't want it that  
lord you know that I don't I don't want it that way  
I don't want it that way

oh father help me please give me strength  
I need a little time to sort out where I'm coming from  
I'll buy some roses I'll buy you lilies too  
'cause there ain't never gonna be nobody else there for you
