

Tiger Lou, Ten Minutes To Take Off

break it down for me
what is this thing
growing inside of me
through my bones
i feel it here at night
doubling in size
in years to come from now
i'll wonder if it's gone

no this isn't me
it just can't be
no this isn't me
too young to be
worn down dried up
worn down dried up

so buckle up it's only ten minutes
till we take off again
buckle up it's only ten minutes
till we take off again
buckle up my friend
