

Tiger Trap, Eight Wheels

bruises and scabs
from my head to my toes
(take you forever ?) let's go

eight wheels tonight
eight wheels are alright

come to a crack and you fall to the ground
into the pebbles and that's not ()

eight wheels tonight
eight wheels are alright

eight wheels tonight
eight wheels are alright

()
dustin' my wheels off
there's no place to go

eight wheels tonight
eight wheels are alright
eight wheels tonight
eight wheels are alright
