

Tiger Trap, Words And Smiles

jump so high
dressed in white
i'd write you letters
but i'm just too shy
snowy paths on a mountain
would you throw your penny in my fountain?

i won't tell you
but if you only knew
words and smiles
and
we're like a dream come true

cutie pie
seeing white
look in your eyes
but it's in your mind
sweet dreams of you when i slumber
i got your p.o. box number

i won't tell you
but if you only knew
words and smiles
and
we're like a dream come true

words up
and up
so high
up to the snow
so white like your trousers

jump so high
dressed in white
i'd write you letters
but i'm just too shy
snowy paths on a mountain
would you throw your penny in my fountain?

i won't tell you
but if you only knew
words and smiles
and
we're like a dream come true

dream come true

dream come true
