

# Tiggy, Daddy Boom

\*Daddy daddy boom boom bang  
Daddy don&#039;t you understand  
Think of him is all I can  
Let the soldier be my man

I fell in deep love with a common soldier  
My destiny was sealed and written down  
They locked me up - no escape  
And then they told me to get a prince  
Who could wear my father&#039;s crown  
So deep - he is on my mind  
Don&#039;t need - a prince of royal kind  
I know he&#039;s the only one  
Don&#039;t throw my love away

I saw the sail as the sun was rising  
In the morning mist my sweetheart came to me  
A major army followed up behind him  
At last he came to set me free  
So deep - his is on my mind  
Don&#039;t need - a prince of royal kind  
I know he&#039;s the only one  
Don&#039;t throw my love away
