

# Tiken Jah Fakoly, Africa

Africa, Africa  
Africa wants to be free  
Mama Africa  
Africa wants to be free

Africa, Africa  
Africa wants to be free  
Mama Africa  
Africa wants to be free

I know their system  
Is a plot against my people  
But if Jah is for us  
Nobody can be against us  
If Jah is for my people  
I don't know who can try  
Who try to be my ennemy  
My Africa wants to be free

Africa, Africa  
Africa wants to be free  
Mama Africa  
Africa wants to be free

Africa, Africa  
Africa wants to be free  
Mama Africa  
Africa wants to be free

As I know your system  
Is a plot against my people  
But if Jah is for us  
Nobody can be against us  
If Jah is for my people  
I don't know who can try  
Who try to be my ennemy  
My Africa wants to be free

Africa, Africa  
Africa wants to be free  
Mama Africa  
Africa wants to be free

Africa, Africa  
Africa wants to be free  
Mama Africa  
Africa wants to be free

Africa wants to be free  
Like a lion in the jungle  
Africa wants to be free  
Like a bird in the sky  
If you don't know if you don't  
You've got to know  
Mama Africa is not free  
Oh oh free ! Oh oh free !  
Mama Africa wants to be free

Africa, Africa  
Africa wants to be free  
Mama Africa  
Africa wants to be free

Africa, Africa

Africa wants to be free  
Mama Africa  
Africa wants to be free

When I'm talking about freedom  
I'm talking about economical freedom  
When I'm talking about freedom  
I'm talking about political freedom  
If you don't know yet if you don't  
You've got to know  
Mama Africa is not free  
Oh oh free ! Oh oh free !  
Mama Africa wants to be free

Africa, Africa  
Africa wants to be free  
Mama Africa  
Africa wants to be free
