

# Tiktak, (Gimme Some) Excitement

(Now gimme some excitement)

Hey get yourself together  
C'mon baby take your stand  
You dare not to touch  
As if I'd fall apart in your hands  
And every day you call me  
Rambling on the same old stuff  
Let's get to the business  
Or you'll find your girl's had enough

So gimme some excitement  
Gimme something new  
I got no time for mama's boys but I got some for you  
C'mon take your chances  
And you'll end up with the first prize

So gimme some excitement  
Gimme something new  
You've got to come up with the entertainment that I'm due  
I'm up to it baby  
So try me and you'll be surprised

I want to ride a rocket  
Dive down the deepest seas  
We're cool and we're young  
Don't you see, we can do as we please  
So start the countdown baby  
Abandon fear and doubt  
What's there for us  
Don't you think that it's time to find out?

So gimme some excitement...

You've got to use it  
Before you lose it  
Don't hesitate baby  
Can't you see,  
Your time has come

So gimme some excitement...
