

'Til Tuesday, Maybe Monday

Tell me again you only want what's good for me
Tell me again you're gonna make me happy
Tell me again I have promises to keep
Tell me again- I might stop crying in my sleep

Maybe Monday he'll call
Maybe Monday he'll call- maybe Monday - oh
Maybe Sunday, maybe Monday, maybe never
Maybe Sunday, maybe Monday, maybe never

Tell me again I am almost over it
Tell me again pretty soon I'll forget
Tell me again you're gonna fix my broken heart
Tell me again- maybe I will not fall apart

Maybe Sunday, maybe Monday, maybe never
Maybe Sunday, maybe Monday, maybe never

It makes me laugh
I'm spending all my time
Staring at his photograph
And that's the catch
Oh, I feel foolish
But I know it's really all I have
Maybe Monday he'll call
Maybe Monday he'll call
Maybe Monday - oh

Maybe Sunday, maybe Monday, maybe never
Maybe Sunday, maybe Monday, maybe never
Maybe Sunday, maybe Monday, maybe never
Maybe Sunday, maybe Monday, maybe never
