

Tilly And The Wall, Too Excited

You wanna call the shots
You wanna call the cops
You wanna ask it all
You never lose you fuck
You're going all the way
Tryin to pay the due
You gotta walk the walk
You never walk the talk

You wanted all the cake
and push it in your mouth
Till you choke you fuck
You better spit it out
You wanna play again
You wanna show the blood
You gonna watch you play
Playin' rock 'n' roll, yeah

Well I say, boo hoo!
And I say, Fuck you!

You wanna marry up
You wanna push and shove
I won't give a shit
If I pull 'em out
So don't go with it
I'm not buying it
You don't want no one to get too excited
Raise the stakes
I'm gonna claw you out
I gonna burn this mother-fuckin' party down
I gonna burn the stakes 'bout midnight
Don't want no one to get too excited

Well I say, boo hoo!
And I say, Fuck you!

Say yeah, yeah!
(x4)

Poor little baby sorry
You can't shake me down
(x2)

Well I say, boo hoo!
And I say, Fuck you!
(x2)
