

# Tim Curry, Charge It

Well you can Telex my accountant  
Call up Tele-Credit, too  
I know they sent a monthly statement  
But I never read it through  
You say you won't accept my Visa  
Or American Express  
And the computer is suspicious  
'Cause I've got no fixed address  
Lady, that's a valid document  
Check out the way I'm dressed  
You know the way I'm feeling now  
I'd take a lie-detector test

Paradise lost for capital gain  
Traded for a ticket on the gravy train  
I can amortize the cost with a minimum of pain  
But I need it for a write off  
Can't take another night off  
You know I never carry change

I just Charge it  
Where do I sign?  
Charge it  
Show me the dotted line  
Charge It  
I don't have the time to waste  
Charge It  
Oh don't mess around  
Charge It  
I've got to get downtown  
'Cause I promised to deliver  
To live up to the letter of the  
Lord, I'm in a state of grace  
(Yeah, baby angel)  
Oh, oh!  
Well, I've enjoyed us doing business  
But I really must confess  
This pompous attitude just isn't calculated to impress  
There's a driver in my car outside  
Who's easily distressed  
Lady, when he's through with you  
He's gonna leave your face a mess

Paradise lost for capital gain  
Traded for a ticket on the gravy train  
I can amortize the cost with a minimum of pain  
But I need it for a write-off  
Can't take another night off  
You know I never carry change  
I just Charge It  
Where do I sign?  
Charge It  
Show me the dotted line  
Charge It  
I don't have the time to waste  
Charge It...  
(Oh, don't mess around)  
Charge It  
I've got to get downtown  
'Cause I promised to deliver  
To live up to the letter of the  
Lord, I'm in a state of grace  
(There's goes that (), babe)  
(It's an equal opportunity there)

Charge It  
Where do I sign?  
Charge It  
Show me the dotted line  
Charge It  
I don't have the time to waste  
(Oh, don't mess around, babe)  
(Don't mess around, babe)  
Charge It  
Where do I sign?  
Charge It  
Show me the dotted line  
I don't have the time to  
Charge It  
(What is that?)  
(A blue one, I don't have a blue one)  
(A red one, I don't have a red one)  
(Oh, just that gold one)  
(I don't know, do they come in platinum?)  
(Whoa babe)  
Where do I sign  
(Maybe I can just make my mark)  
(I don't know, do you read?)  
(Are you literate, babe?)  
(Are you numerate, babe?)  
(Do you get laid, babe?)  
(I don't carry green, it's just)  
(It makes such a bulge in the pocket)  
(You like the suit?)  
(There's something in the piping in the back)  
(I wanted to have changed)  
(But my Spanish tailor didn't fly in last week)  
(You know him? He's called Manuel)  
(But he always makes the pocket so that if you put money in it)  
(It looks so ugly)  
(Oh, cash, baby)  
(... cash anymore, babe)  
(Oh, fine send for the manager)  
(You can't be the manager)  
(Are you kidding?)  
(There's a serious problem in personnel)
