

# Tim Curry, I Do The Rock

Edith Sitwell giving readings  
14 Moscow Road  
Osbert's giving champagne parties  
Sachie's got a cold  
Gertrude's hanging pictures  
Alice making tea  
Me, I do the only thing that still  
Makes sense to me  
I do the Rock  
I do the Rock Rock

John and Yoko farming beef  
Raising protein quota  
Sometimes they make love and art  
Inside their Dakota  
Rodney's feeling sexy  
Mick is really frightfully bold  
Me, I do the only thing  
That stops me growing old  
I do the Rock  
I do the Rock Rock  
I do the Rock Rock Rock

Well, it's stimulating

Solzhenitzin feels exposed  
Build a barbed-wired prison  
Nietzsche's six feet under  
But his babies still got rhythm  
Einstein's celebrating ten decades  
But I'm afraid philosophy  
Is just too much responsibility for me  
I do the Rock  
I do the Rock

Baby Ruth and Dizzy Dean  
Best and Colin Cowdrey  
Little Mo, Virginia Wade  
Pistol Pete and O.J.  
I've always like Di Maggio  
And Rockne's pretty knute you know  
I could never whack a ball  
With such velocity  
I do the Rock  
I do the Rock  
I do the Rock

When I can get it  
It's stimulating - I'm a keen student

Liz and Dick and Britt and Liza  
Jaclyn, Kate and Farah  
Meg and Roddy, John Travolta  
Governor Brown and Linda  
Interview and People Magazine  
Miss Rona and the Queen  
It must be really frightful  
To attract publicity  
I do the Rock  
Myself  
I do the Rock

Carter, Begin and Sadat  
Brezhnev, Teng and Castro

Everyday negotiate us closer to desastro  
Idi Amin and the Shah  
And Al Fatah is quite bizarre  
I could never get the hang of ideology

I do the Rock  
I do the Rock  
I do the Ro...  
I do the Ro...  
I do the Ro...  
I do the Ro...  
Do the Ro...  
Do the Ro...  
I do, I do, I do, I do  
Do the Rock

Sunshine, Sunshinin' in  
Sunshine, Sunshine  
Well you can't get enough of it man  
Sunshine, Sunshine  
Oh, we got the top down now  
If you don't have the top down, pull the top down  
How often do you get a sunny day  
Come to the rock, the rock will cure your ills, man  
Stimulating, stimulating  
Sunshine  
Sunshine, Sunshine  
Been a really hard winter, man  
You deserve it, ya know.  
Everybody do, everybody do, everybody  
Sunshine, Sunshine
