

# Tim Curry, I Will

Who knows how long I've loved you  
You know I always will  
If it take an only lifetime  
If you ask me to, I will

And when at first I saw you  
I didn't know your name  
But it never really mattered  
For I love you just the same

Love you forever  
And forever  
Love you with all my heart  
Love you whenever we're together  
Love you when we're apart

And when at last I find you  
Your song will fill the air  
Sing it loud so I can hear you  
Make it easy to be near you  
For the thing you do  
Endear you to me  
Oh, you know I will  
Oh oh you know I will

Love you forever  
And forever  
Love you with all my heart  
Love you whenever we're together  
Love you when we're apart

And when at last I find you  
Your song will fill the air  
Sing it loud so I can hear you  
Make it easy to be near you  
For the thing you do  
Endear you to me  
Oh, you know I will  
Oh oh you know I will  
(Three times now)  
Oh oh you know I will

And when at last I find you  
Your song will fill the air  
Sing it loud so I can hear you  
Make it easy to be near you  
For the thing you do  
Endear you to me  
Oh, you know I will  
(Two times now)  
Oh oh you know I will  
(Three times now)  
Oh oh you know I will  
(How 'bout four times)  
Oh oh, you know I will
