

Tim Curry, On A Roll

Well this morning on the radio I heard the dj say
That the temperature is rising
And it's going to be a real hot day

I took the taxi to the studio at 48th and Broadway
But the engineer was late, made me wait
I said Hey man, hey!
C-c-c-catch me now
Don't let go
C-c-catch me know
Because I'm on a roll
On a roll

Well I only got a minute
And it's such a simple thing to say
You better get it on the first take
I gotta make a matinee
C-c-c-catch me now
Don't let go
Catch me know
Because I'm on a roll
I'm on a roll

On a roll
If you stop to think you'll fall
Gotta go, gotta do, that's all
I've gotta blow because I'm on a roll
I'm on a roll
On a roll
I'm on a roll

C-c-c-catch me now
Don't let go
C-c-c-catch me now
Because I'm on a roll
I'm on a roll!
