

# Tim McGraw, Cowboy In Me

(Craig Wiseman, Jeffrey Steele, Al Anderson)

I don't know why I act the way I do  
Like I ain't got a single thing to lose  
Sometimes I'm my own worst enemy  
I guess that's just the cowboy in me

I got a life that most would love to have  
But sometimes I still wake up fightin' mad  
At where this road I'm heading down might lead  
I guess that's just the cowboy in me

The urge to run, the restlessness  
The heart of stone I sometimes get  
The things I've done for foolish pride  
The me that's never satisfied  
The face that's in the mirror when I don't like what I see  
I guess that's just the cowboy in me

The urge to run, the restlessness  
The heart of stone I sometimes get  
The things I've done for foolish pride  
The me that's never satisfied  
The face that's in the mirror when I don't like what I see  
I guess that's just the cowboy in me

Girl I know there's times you must have thought  
There ain't a line you've drawn I haven't crossed  
But you set your mind to see this love on through  
I guess that's just the cowboy in you

We ride and never worry about the fall  
I guess that's just the cowboy in us all
