

# Tim McGraw, Dont take the girl

Johnny's daddy was takin him fishing  
When he was eight years old.  
A little girl came through the front  
door  
And she said  
"Don't take the girl"  
And he said  
"I can't take the girl"  
And she said  
"Don't take the girl"  
And he said  
"I can't take the girl"  
And she said  
"Don't take the girl"  
And he said  
"I can't take the girl"
