

# Tim McGraw, Just Be Your Tear

Don't know why he does what he does  
Playing lost and found with your love  
Trying to confuse you, use you  
Girl. he's gonna lose you sure enough

Don't know why he says all those things  
Always shootin' down all your dreams  
He ought to know better than that  
He ought to be watching his back  
'cause you know you know

[Chorus:]

Girl I'd love to shine in your eyes  
If only for just a moment  
Girl I'd be satisfied  
If I could only touch your cheek  
Baby that's all I'd need  
To make my life complete  
Girl I know I can make you smile  
If you knew that I was here  
Wishing that I could just be your tear

I don't know why he can't find the words  
Saying all those things you deserve  
Girl if it was me there I swear  
You know you wouldn't have to feel so unsure  
About what tomorrow would bring  
Don't you know I'd give everything  
If I could just hold you like him  
If I could be more than just friends  
'Cause you know you know

[Repeat Chorus (Twice)]

Your tear, your tear,  
Wishin' I could just be your tear,  
Your tear, your tear, yeah..  
Oh girl I love the shine in your eyes, in your kiss, in your smile, and your touch.  
Girl I love that look in your eyes  
When you say that you need me so much.  
If only I could just be your tear, yeah, yea...
