

# Tim McGraw, Put Your Loving On Me

(Chorus (x2):)

Can't take it when you put your loving on me  
You make me say ooh when you're touching on me  
Don't know what to do when you give it to me  
You make me say ooh ahh ooh ahh

(Aundrea:)

Hush for a minute  
Touch for a minute  
Move for a minute  
Just a minute  
Hot in the middle  
Dance for a little  
Kiss for a little  
Just a little

(Bridge:)

Ooh when I need it  
I can't get enough  
When you give it  
Want you more and more  
It's something that you do  
I can't take it from you

(Chorus x2)

(Aubrey:)

Meant when I said it  
You're gonna get it  
Loved when we did it  
Wrapped up in it  
Holding me steady  
Hooked and I'm ready  
Breathin' is heavy  
Come and get me

(Bridge + Chorus x2)

(Hook w/ Andrea and Dawn vocals:)

When I am in need you're right on time (right on time)  
You make me say ooh ahh ooh ahh  
Take away my pain and my mind  
You make me say ooh ahh ooh ahh  
Ooh I can't take it when you put your love all on me

(Chorus x4)

Can't take it when you put your loving on me  
Don't know what to do when you give it to me  
Can't take it when you put your loving on me  
Don't know what to do when you give it to me  
Ooh Ahh
