

Tim McGraw, The Cowboy In Me

i don't know why i act the way i do
like i ain't got a single thing to lose
sometimes i'm my own worst enemy
i guess that's just the cowboy in me
i got a life that most would love to have
but sometimes i still wake up fightin' mad
at where this road i'm headin' down might lead
i guess that's just the cowboy in me

Chorus:

the urge to run
the restlessness
the heart of stone i sometimes get
the things i've done for foolish pride
the need that's never satisfied
the face that's in the mirror when i don't like what i see
i guess that's just the cowboy in me

repeat chorus

girl, i know there's times you must have thought
there ain't a line you've drawn i haven't crossed
but you set your mind to see this love on through
i guess that's just the cowboy in you
we ride and never worry about the fall
i guess that's just the cowboy in us all
