

# Tim McGraw, You'll Find Better Love

When all our tears have reached the sea  
Part of you will live in me  
Way down deep inside my heart  
The days keep coming without fail  
No wind is gonna find your sail  
That's where your journey starts

\*Chorus\*

You'll find better love  
Strong as it ever was  
Deep as a river runs  
Warm as the morning sun  
Please remember me  
Just like the waves down by the shore  
Gonna keep on coming back for more  
'Cause we don't ever wanna start  
Out in this brave world you see  
Oh, the valleys and the peaks  
and I can see you on the top

\*Chorus\*

You'll find better love  
Strong as it ever was  
Deep as a river runs  
Warm as the morning sun  
Please remember me

\*Bridge\*

Remember me when you're out walking  
When snow falls high outside your door  
Late at night you're not sleeping  
And moon-light falls across your floor  
When I can't hurt you anymore

\*Chorus\*

You'll find better love  
Strong as it ever was  
Deep as a river runs  
Warm as the morning sun  
Please remember me  
Please remember me
