

# Tim Minchin, Nothing Changes

I'm sorry if I used you  
I'm sorry if I lied  
I'm sure I used you for a reason  
It's something I do  
And I don't mean to  
I'm sorry if you're angry  
I'm sorry if you're mad  
You're right, I know I'm being selfish  
It's something I do  
And I don't mean to

Please don't believe me when I say  
That I will change  
You're disappointed when you find  
That I'm the same

Nothing changes  
Nothing ever will  
Nothing changes
