

Tim O'Brien, Less & Less

I try to travel around with less and less
I tried them all and the simple way is the way that's best
I save a lot of time not havin' to choose
What color shirt I wear or which pair of shoes
Don't need a guitar to sing my song
Wherever I land I'll always get along

Chorus:

I've been up and down the road a time or two I guess
Now I try to travel around with less and less

I had a woman once, she was not my wife
I took a long detour on the road of life
I carried that weight and almost broke my back
Nearly lost the ones I love getting' back on track
Wasted lots of time and I still feel the pain
Made a vow that I won't go through that again

Chorus

Coffee in the mornin' a little wine at night
A meal somewhere in the middle I think I'll be alright
I've got my pride, I got a smile to greet the day
I got a friend or two to help me through when I lose my way
Don't need a guitar to sing my song
Wherever I land I'll always get along
I've been up and down the road a time or two I guess
Now it's time to travel around with less and less
