

Tim Rushlow, I Live

(Frank Myers/Gary Baker/David Malloy)

Like a song that has no words
My life was incomplete I was out there all alone
Til the moment you found me
You're the beat inside my heart
You're the fire in my sould
Do you know what you mean to me

As long as you breathe, I love
All that I need you give
All that I want is in your heart
I don't need the sun to shine
You light up this life of mine
With your smile, your touch, your kiss
As long as you breathe, I live

I never knew that love
Could ever be like this
I never realized
All that I had missed
You're the hope that I had lost
You're the strength I never knew
Do you know how much I need you

As long as you breathe, I love
All that I need you give
All that I want is in your heart
I don't need the sun to shine
You light up this life of mine
With your smile, your touch, your kiss
As long as you breathe, I live

You're the beat inside my heart
You're the fire in my sould
Do you know what you mean to me

As long as you breathe, I love
All that I need you give
All that I want is in your heart
I don't need the sun to shine
You light up this life of mine
With your smile, your touch, your kiss
As long as you breathe, I live

As long as you breathe, you're all that I need
As long as you breathe, I live, I live
